

Add the Zoom meeting link in Brightspace Content

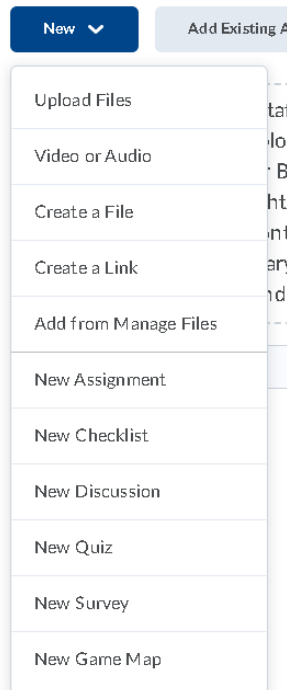

1. Open **Zoom** from the top navigation panel and click on the topic of the meeting.

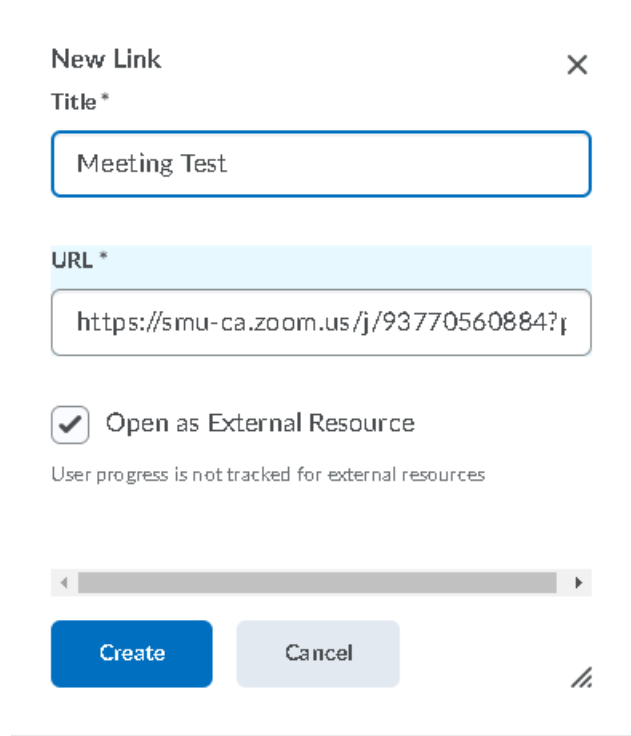

2. Copy the meeting url beside **Invite Attendees**.

3. Now go to **Content**. Open the module where you want to add the meeting Link.
4. Click on **New > Create a Link**.

5. In the **New Link** dialogue box, Set a Title, paste the copied url under URL, select **Open as External Resources** and hit **Save**.

The image shows a 'New Link' dialog box with the following fields and options:

- Title ***: A text input field containing 'Meeting Test'.
- URL ***: A text input field containing 'https://smu-ca.zoom.us/j/93770560884?j'.
- Open as External Resource**
- User progress is not tracked for external resources
- A horizontal scrollbar is visible below the URL field.
- Buttons: **Create** (blue) and **Cancel** (grey).
- A close button (X) is in the top right corner.
- A double-slash icon (//) is in the bottom right corner.
