# How to embed a recorded Zoom lecture to Content in Brightspace

1. On **Brightspace**, navigate to your course.

2. Go to **Zoom** > **Cloud Recordings**

3. **Click on the recording** you would like to share.

4. Under the recording, click on **share**. Here, you do not want to copy all the information that comes up in the pop up. Instead, **highlight the link only and copy it**.

5. Go to **Content** > **select the module** you would like to add the lecture to.

6. Click on **New** > **Create a Link**.

7. **Create a title** for the video and **paste the link** into the URL box. Select **Open as External Resource**. **Click Yes.** Then click **Create**.
